Dr. Jeffrey S. Yarvis

[Dr. Jeffrey S. Yarvis, PhD, LCSW, ACSW, BCD](#), Senior Professor of Practice at the Tulane University School of Social Work (TSSW), is acknowledged as a Pinnacle Lifetime Member of The Inner Circle for his contributions to Clinical Social Work. He is a distinguished clinical social worker, board-certified psychotherapist, and esteemed leader in trauma therapy, making a profound impact on the Austin, Texas community and beyond.

Dr. Yarvis specializes in providing comprehensive care to adult survivors of sexual assault, individuals facing current trauma, and those impacted by combat-induced trauma. His unwavering commitment to healing and empowering survivors has earned him a prominent place in the Austin, Texas community.

As a high-reliability organization functional subject matter expert and executive leader coach, Dr. Yarvis's expertise extends to leadership consulting within the Veterans Health Administration High Reliability Organization Support Team. His insights and guidance have a profound impact on fostering high-reliability practices within the healthcare industry.

As a Senior Professor of Practice at TSSW, Dr. Yarvis imparts his wealth of knowledge to future generations of social workers. His dedication to education ensures that his expertise continues to shape the future of the field.
