Duncan, A. (2024). Reclaiming Black childhood: Honoring cultural expressions in Black children & families. *Play Therapy Magazine*.

BOARD MEMBERSHIP

Advisory Board Member, World Association of Sand Therapy Professionals

June 2023-present

Duties:

- Chair of Social Justice & Advocacy committee
- Advise board members on cultural inclusivity in memberships, professional development and board recruitment
- Provide professional development on cultural competency in sand tray therapy

PROFESSIONAL EXPERIENCE

Association for Play Therapy

*Play Therapy*TM Magazine Committee Member

March 2024-present

- Review and provide recommendations for magazine submissions
- Assist in providing a cultural lens to submissions received by organization

Adjunct Instructor

Tulane University, School of Social Work

August 2021-present

- Monitor and utilize your official Tulane email and other technology provided
- Engage in 1.5-3 hours of preparation for teaching weekly
- Attend mandatory orientation and trainings as scheduled, including at least one adjunct meeting during the academic year
- Grading student assessments and provide constructive feedback on student assignments, quizzes, and exams
- Respond to student and school communications within 48 hours.

Founder & CEO

June 2020- present

BMH Connect

- Develop programming using play-based interventions to address race-based stress and trauma in Black youth
- Facilitate professional development for mental health professionals and educators on topics like implicit bias, racial trauma and play therapy

- Cultivate partnerships with stakeholders to provide play-based services like telehealth services for individuals and families
- Conduct program evaluation for the *Heritage Youth Connection* program

Business Co-Owner/Lead Presenter

November 2016-present

St. Louis Play Therapy Institute

- Provides play therapy trainings to mental health professionals on topics such as trauma, attachment, and multiculturalism
- Provides mentorship for clinicians working towards their certification to become a Registered Play Therapist
- Combines research with clinical experience to create unique, interactive trainings to professionals looking to gain more experience with play therapy
- Recruits mental health professionals to provide both clinical supervision and professional development for local clinicians

Business Owner/Executive Program Manager

March 2016 - present

All About Play! LLC

- Provides play therapy to children and adolescents, through individual and family therapy sessions, to address behaviors including anxiety, grief, trauma, aggression and more
- Provides consultation to local preschools, daycares and early childhood centers on topics such as limit setting, child development and fostering appropriate superhero play
- Works closely with parents and caregivers on skills to help address behavioral issues and reinforce positive behaviors in the home and school settings
- Manages billing and finances for the office, including providing play therapy supplies needed for clinical sessions

Program Director, Therapeutic Preschool

March 2013 – May 2017

Family Forward (formerly known as Family Resource Center)

- Monitored and reported the progress of clients, using assessment tools such as the Child Behavior Checklist and Devereux Early Childhood Assessment, to multiple funding sources
- Provided clinical presentations and tours with potential funders and board members, highlighting program features and success stories; helped secure over \$100,000 in fundraising for the department since being employed in March 2013
- Supervised ten (10) employees; consisting of clinical and educational staff members who provide individual, group and family therapeutic services to children ages three to five years old, who are victims of abuse, trauma and/or neglect
- Assisted with implementation, along with monitoring of progress and outcomes, of corrective action plans, as necessary for service contracts

Individual Therapist

2013 - 2014

The Covering House

- Provided individual therapy for underage victims of sex trafficking and exploitation utilizing Trauma-Focused Cognitive Behavioral Therapy and Relational Cultural Therapy

- Created *Beautiful Souls*, a life skills class teaching teen girls' self-esteem, healthy relationships, and sex education
