

## Academic Code of Conduct and Student Handbook Pledge

I, (student name) \_\_\_\_\_,  
have received a copy of the Tulane University School of Social Work Handbook for Student Rights and Responsibilities, a compilation of agreements about how we work together within our School. Guided by Tulane University policies and the NASW Code of Ethics, the handbook covers both academic and professional standards that are critical to the school and the profession.

I agree to (initial):

\_\_\_ I abide by the [TSSW Student Handbook](#), including the Academic Code of Conduct and the Professional Expectations of the Learning Community knowing there are mechanisms in place to protect my rights.

\_\_\_ I will foster an environment that encourages adherence to the principles of honesty and integrity and a safe and engaging learning environment.

\_\_\_ I will utilize APA format including appropriate citations in all course work including papers, journals, presentations and any other written word.

\_\_\_ I have reviewed and agree to abide by the [NASW Code of Ethics](#).

\_\_\_ I have been provided information about how to resolve conflicts or other complaints related to fellow students or TSSW Faculty and Staff.

\_\_\_ I understand that any violation of the above mentioned and all other TSSW policies found in the TSSW Student Handbook could be grounds for dismissal from the school and the program.

\_\_\_ I understand I must complete 948 hours of field practicum over the course of my study. I acknowledge that I must be available to complete my field practicum hours during regular working hours, and I must complete my field practicum in concurrent with courses. I understand there is no guarantee that my preferred placement site or setting will be available to complete my field practicum, but I will be matched with a site that provides the opportunities to develop my professional social work skills.
