

Curriculum Vitae
Susan L. Davies, PhD

UAB School of Public Health
Department of Health Behavior
RPHB 227, 1530 3rd Avenue S
Birmingham, AL 35294-0022
(205) 975-8049
E-mail: sdavies@uab.edu

Home address:
4221 Glenwood Avenue
Birmingham, AL 35222
(205) 592-9404

EDUCATION

- | | | |
|------|---|--|
| 1997 | Doctor of Philosophy
in Health Education & Promotion | University of Alabama at Birmingham
Birmingham, Alabama |
| 1989 | Master of Education
in Health | George Mason University
Fairfax, Virginia |
| 1985 | Bachelor of Science
in Health Education | Florida State University
Tallahassee, Florida |

PROFESSIONAL EXPERIENCE AND AFFILIATIONS

- | | |
|---------------------|--|
| Oct. 2020 – Present | Professor and Associate Dean of Research, Tulane University School of Social Work |
| 2017 – Sept. 2020 | Professor (tenured), Department of Health Behavior, UAB School of Public Health |
| 2004 – 2017 | Associate Professor (tenured), Department of Health Behavior, UAB SOPH |
| 2019 – 2020 | Associate Director, UAB Center for the Study of Community Health |
| 2020 – Present | Director, UAB Center for the Study of Community Health, CDC-Funded Prevention Research Center, and University-Wide Interdisciplinary Research Center |
| 1998 - Present | Senior Scientist, UAB Center for the Study of Community Health |
| 2019 - Present | Senior Scientist, UAB Civitan International Research Center |
| 1999 - Present | Scientist, UAB Center for AIDS Research (CFAR); Member of CFAR's Behavioral Core Unit, 2002 - Present |
| 2002 - Present | Scientist, UAB Minority Health Research Center |
| 2005 - Present | Scientist, UAB Center for Outcomes and Effectiveness Research |
| 2010 - Present | Scientist, UAB Nutrition Obesity Research Center |
| 2012 - Present | Scientist, UAB Diabetes Research Center |
| 1997 - 2004 | Assistant Professor, Department of Health Behavior, UAB SOPH |
| 1997 - 2002 | MPH Program Director, Department of Health Behavior, UAB SOPH |
| 1993 - 1997 | Clinical Coordinator, Department of Nutrition Sciences, UAB |
| 1991 - 1993 | Health Education Coordinator, UAB Lung Health Center |
| 1989 - 1991 | Corporate Health Educator, Riggs National Bank, Washington, DC |
| 1987 - 1989 | Program Manager, American Lung Association of Northern Virginia, Fairfax, VA |
| 1985 - 1987 | Assistant Director of Corporate Fitness, National Capital YMCA, Washington, DC |

HONORS AND AWARDS

- | | |
|------|--|
| 2020 | Graduate Dean's Award for Excellence in Mentorship, UAB |
| 2017 | Faculty Fellow in Engaged Scholarship, University of Alabama at Birmingham |
| 2015 | Wicked Case Competition Mentee Team, 1 st Place, UAB |
| 2012 | School of Public Health Outstanding Public Health Service Award |
| 2004 | Inducted into the Delta Omega National Public Health Honor Society |

2002 National Delta Omega Award for Innovative Curriculum Development, to members of the Integrated Core Faculty (Dr. Donna Petersen, Coursemaster)

2000 Dean's Award for contribution to the development of strategic planning initiative, The Public Health Professional of the Future

1993 Recipient of a National Cancer Institute Predoctoral Fellowship in Cancer Prevention & Control

1992 Inducted into the Kappa Delta Pi International Honor Society in Education

1990 Recipient of the American Heart Association's Outstanding Coordinator Award for Corporate Health Promotion Programs

1983 Dean's List, Florida State University

EXTRAMURALLY FUNDED RESEARCH ACTIVITIES, *CURRENT*

Project Number: U48DP006404 (PI: Walker)
Source: CDC Prevention Research Center
Project Title: Community Health through Engagement and Environmental Renewal: CHEER
Major Goals: This 5-year project will test the independent and combined effects of two system-level interventions to improve health and quality of life among residents of disadvantaged urban communities, and inform the development of cost-effective family and community-level interventions with potential for wide dissemination and scalability.
Project Dates: 10/01/19 – 9/30/24
Annual Direct Costs: \$555,000 per year for five years
Role: Investigator

Project Number: 1R01HD09835201A1 (PI: Fowler)
Source: NIH/NICHHD
Project Title: Prenatal behavioral intervention to prevent maternal CMV in pregnancy
Major Goals: The major goal of this project is to prevent maternal cytomegalovirus (CMV) infections by increasing CMV risk-reduction behaviors in urban pregnant women.
Project Dates: 4/1/2020 – 3/31/2025
Annual Direct Costs: \$467,000 per year for five years
Role: Investigator

Source: CDC - Centers for Disease Control and Prevention (PI: Kimberlin)
Project Title: Cross-sectional Cohort Study to Determine the Prevalence of Soil Transmitted Helminth (STH) Infections in School Age Children in a Rural Poor Community in Southern Alabama
My Role: Co-Investigator
Project Dates: 9/01/19 – 8/30/21
Role: Investigator

EXTRAMURALLY FUNDED RESEARCH ACTIVITIES, *COMPLETED*

Project Number: 1U48DP001915-01 (Center PI: Michael, Research PI: Davies)
Source: CDC Prevention Research Center
Project Title: Community Influences Transitions of Youth: CITY Health II
Major Goals: This continuing CITY Health project aimed to use the original study's findings to focus intervention efforts on 18-25 year-old African American men and women at

increased risk for HIV with an entertainment education based, gender-tailored intervention to decrease risk behaviors and encourage HIV testing.

Project Dates: 10/01/14 – 9/30/19
Annual Direct Costs: \$416,000 per year for five years
Role: Research PI

Project Number: R01 MH098348-01 (Mrug S/ Knight D, MPI)
Source: National Institute of Mental Health
Project Title: Neurobiological Mechanisms of Lower Internalizing Disorders in Black Americans
Major Goals: This project examines specific neurobiological mechanisms as possible sources of lower rates of depression and anxiety in African American young adults.

Project Dates: 07/10/12 – 06/30/17
Annual Direct Costs: \$350,000 per year for five years
Role: Investigator

Project Number: R01AA017880-01A1 (PI: Tucker/ Davies)
Source: National Institute of Alcohol Abuse and Alcoholism
Project Title: Time Horizons
Major Goals: *Time Horizons* is a clinical study funded as part of NIAAA’s Mechanisms of Behavior Change (MOBC) Portfolio of studies, to examine factors related to problem drinkers’ attempts to stop/reduce high-risk drinking without formal substance abuse treatment.

Project Dates: 09/15/09 – 09/30/16
Annual Direct Costs: \$416,567 per year for five years
Role: Principal Investigator

Project Number: (PI: Kempf)
Source: Gulf States Health Policy Research Center
Project Title: Opt-Out HIV Testing Guidelines and Barriers of Implementation in Alabama
Major Goals: This project aims to partner with West Alabama Health Services Center to conduct formative research to better understand barriers to HIV testing as perceived by both clinicians and patients.

Project Dates: 1/15/15 – 1/14/17
Annual Direct Costs: \$100,000 for two years
Role: Investigator

Source: NIMHD / Mid-South TCC Pilot Research Award (PI: Safford)
Project Title: A Family-Based Intervention to Reduce Obesity in the Black Belt
Major Goals: This project aims to apply Community-based participatory research principles to pilot test a family-based diabetes /obesity prevention project in a rural population at increased risk for complications resulting from diabetes and obesity.

Project Dates: 08/01/15 – 07/31/16
Annual Direct Costs: \$100,000 for one year
Role: Investigator

Source: UAB CSCH: Community Health Scholars Grant Program (PI: Davies)
Project Title: Using CBPR to Strengthen Maternal Mental Health and Family Resilience
Major Goals: To identify the most salient factors contributing to poor mental health functioning of mothers living in Birmingham’s West End community, and adapt and pilot test a tailored, culturally appropriate mental health promotion intervention based on the specific needs and stressors identified by the intended audience.

Project Dates: 10/01/11 – 09/30/13
Annual Direct Costs: \$30,000
Role: Principal Investigator

Project Number: R01HD051646-05 (PI: Davies)
Source: NICHD
Project Title: Douching Cessation with Biological Endpoints
Major Goals: This study aims to evaluate the biologic and ecologic effects of douching on reproductive health outcomes, and the effectiveness of a computer-assisted tailored intervention to promote douching cessation.

Project Dates: 07/01/07 – 06/30/13
Annual Direct Costs: \$348,413
Role: Principal Investigator

Project Number: U19DP002665-01 (PI: Davies)
Source: Centers for Disease Control and Prevention (CDC)
Project Title: Healthy Passages: A Longitudinal Study of Adolescent Health
Major Goals: This multi-site study of ethnically diverse youth and their caregivers measured biological, family, peer, school, and neighborhood/community influences on health behaviors and outcomes at critical points (5th, 7th, and 10th grades) in adolescent development. Data analyses on three waves of data collected in Birmingham, Houston, and Los Angeles are ongoing. Study findings will provide an empirical basis for effective policies and intervention programs to promote optimal development.

Project Dates: 09/30/04 – 09/29/12
Annual Direct Costs: \$750,853
Role: Principal Investigator

Project Number: 1U48DP001915-01 (PI: Tucker)
Source: CDC Prevention Research Center
Project Title: Community Influences Transitions of Youth: CITY Health
Major Goals: CITY Health was the core research project within the UAB Center for the Study of Community Health that explored the multilevel influences on health among youth living in at risk urban neighborhoods as they transition to adulthood.

Project Dates: 11/01/09 – 10/31/14
Annual Direct Costs: \$638,143
Role: Investigator

Project Number: 1U01 DD000922-01 (PI: Fowler)
Source: Centers for Disease Control and Prevention
Project Title: Clinic-based Behavioral Intervention to Reduce CMV transmission during Pregnancy
Major Goals: The purpose of this randomized, attention-control study is to test the efficacy of a theory-based intervention to prevent CMV transmission among at risk pregnant women attending public OB/GYN clinics in Birmingham.

Project Dates: 09/01/12 – 08/31/14
Annual Direct Costs: \$170,645
Role: Investigator

EXTRAMURALLY FUNDED RESEARCH ACTIVITIES, **COMPLETED** (*continued*)

- 2008 – 2009 Investigator, Iowa Initiative to Reduce Unintended Pregnancies, Connie Kohler, Principal Investigator; University of Northern Iowa.
- 2006 – 2008 Principal Investigator, *COMPASS Project* (Re-setting Trajectories among At-risk Youth), Department of Justice Anti-Gang Initiative # 2006-PG-BX-0075
- 2008 – 2009 Investigator, Contextual Factors Contributing to Postpartum Antiretroviral Non-adherence, Mirjam Kempf, Principal Investigator; UAB Center for AIDS Research
- 2006 – 2007 Investigator, Improving Partner Communication Regarding Sexually Transmitted Infections. Tina Simpson, Principal Investigator; UAB Minority Health Research Center
- 2002 – 2007 Principal Investigator, Enhancing Parenting Skills among HIV+ Mothers. NICHD # 1 R01 HD40771-01A1.
- 2003 – 2007 Investigator, UAB Center for AIDS Research Behavioral Core Grant. Joseph Schumacher, Principal Investigator. NIH.
- 2004 – 2005 Investigator, American Lung Association/ UAB Adult Asthma Program Adaptation. William C. Bailey, Principal Investigator. CDC.
- 2003 – 2004 Principal Investigator, Examining Social and Ecological Factors that Influence STD Risk among African American Males. Internal grant from UAB STD Center grant funds.
- 2003 – 2004 Investigator, Bridging Racial Gaps in Mammography via Providers, Sharina Person, Principal Investigator. Deep South Network for Cancer Control, CDC.
- 2002 – 2005 Investigator, ASU-UAB EXPORT Project REAP: Reducing Disparities in Reproductive Health, Kim Oh, Principal Investigator.
- 2000 – 2003 Investigator, High 5+: A Family Nutrition Intervention, Frank Franklin, Principal Investigator. NCI # 2R01 CA59776-05A1.
- 1998 – 2003 Investigator, Smoking and Cervical Cancer, Paul Greene, Principal Investigator. NCI #1R01 CA75455.
- 2000 – 2001 Investigator, Prevention of HIV Infection in Youth at Risk, Leslie Clark, Principal Investigator. UIC #2-5-24970-5612.
- 1998 – 2000 Sub-Contract Principal Investigator, HIV Prevention in African-American Adolescent Females, Ralph DiClemente, Principal Investigator. NIMH #R01 MH54412.
- 1998 – 2001 Sub-Contract Principal Investigator, Using Social Networks to Reduce Risky Sex in HIV+ Women, Ralph DiClemente, Principal Investigator. NIMH #R01 MH55726.

NATIONAL PEER REVIEWED SCIENTIFIC PRESENTATIONS (Underlining indicates student or mentee)

1. **Davies SL**, Smith T, Crawford MS, Clay O. Local rappers and hip-hop artists can be credible sources of HIV information to bridge the divide between public health and distrusting African American emerging adults. Poster to be presented at the 12th Annual Conference on the Science of Dissemination and Implementation, December 4-6, 2019, Arlington, VA.
2. **Davies SL**, Smith T, Crawford MS, Murphy B, Clay O. Using local musicians as change agents to diffuse HIV prevention messages: Lessons learned. Poster to be presented at the 147th Annual American Public Health Association Meeting, November 2-5, 2019, Philadelphia, PA.
3. **Davies SL**, Hannon L, Footman A. Insight from African American men on how to reduce HIV in their communities. Poster presentation at the Second Conference on Bioethics Issues in Minority Health and Health Disparities Research, January 24-26, 2019, Opelika, AL.
4. **Davies SL**, Crawford MS, Murphy B, Smith T, Clay O. At-risk males are finally heeding the message about consistent condom use: Why aren't their female counterparts doing the same? Poster presented at the 146th Annual American Public Health Association Meeting, November 10-14, 2018, San Diego, CA.
5. **Davies SL**, Garner S, Lanzi RG. Women living with HIV: Faith and prayer as sources of support. Faith and Its Influence on Community Health for a Healthier Nation Roundtable Session, Caucus on Public Health and the Faith Community. Roundtable presentation at the 145th Annual American Public Health Association Meeting, November 4-8, 2017, Atlanta, GA.
6. Jetelina K, Gonzalez JR, Curccaro PM, Peskin M, Pompeii L, Atem F, Elliott MN, **Davies SL**, Schuster MA. Self-reporting discrepancies of bullying victimization and perpetration measures. Poster presentation at the 145th Annual American Public Health Association Meeting, November 4-8, 2017, Atlanta, GA.
7. Kempf M-C, Ott C, Azuero A, Wise J, **Davies SL**, Lanzi RG. Barriers to HIV testing among primary care providers and patients in Alabama. Innovations in HIV/AIDS Roundtable Presentation at the 145th Annual American Public Health Association Meeting, November 4-8, 2017, Atlanta, GA.
8. Andreae S, Andreae L, Safford M, Dutton G, **Davies S**, Cherrington A. Assessing youth perceptions and awareness of diabetes in rural Alabama. Poster presentation at the 145th Annual American Public Health Association Meeting, November 4-8, 2017, Atlanta, GA.
9. Murphy B, Clay O, Crawford MS, **Davies SL**. Using rappers as messengers and change agents to prevent HIV in a Deep South African American community. Poster presented at the Community-Clinical Linkages Session of the Prevention Research Centers Program Meeting, CDC, November 8-9, 2017.
10. Rocque BG, Graham A, Hopson B, **Davies SL**, Blount J. Assessment of the impact of medical condition on families of adolescents with spina bifida. Abstract presented at the Spina Bifida World Congress, March 2017.
11. **Davies SL**, Lee Y, Hannon L. Applying Positive Deviance to HIV Prevention in the African American Community. Paper presented at the 144th American Public Health Association Annual Meeting, Denver, CO, November 2016.

12. **Davies SL**, Lee Y, Hannon L. African-American young adult males' perceptions of community, families, and fatherhood. Poster presented at the 144th American Public Health Association Annual Meeting, Denver, CO, November 2016.
13. **Davies SL**, Hannon L, Lee Y. Social manifestations of racial inequality in the Deep South as perceived by marginalized minority emerging adult men. Poster presented at the Special Topic Meeting: Babies, Boys, and Men of Color, Society for Research in Child Development, Tampa, FL, October 6-8, 2016.
14. Garner S, Henderson B, Lanzi RG, **Davies SL**. *From the heart: A Qualitative Look at the Role of Faith and Spirituality in the Lives of Women Living with HIV*. Poster presented at the Women and HIV Inter-CFAR Joint Symposium on HIV Research in Women. Birmingham, Alabama: December 7-8, 2016.
15. Andreae S, Stafford M, **Davies SL**. Association between Physical Activity and Pain Coping Strategies in Adults with Diabetes and Chronic Pain. Poster presented at the 37th Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, Washington DC: March 30-April 2, 2016.
16. Tucker JA, Chandler SD, Cheong J, Lambert BH, Pietrzak B, Kwok H, **Davies SL**. Behavioral economic predictors of moderation outcomes during natural recovery from alcohol problems. Poster presented at the Division 50 Collaborative Perspectives on Addiction Conference, San Diego, CA: March, 2016.
17. **Davies SL**, Lee Y, Thind H, Andreae S, Hannon L. Challenges facing African American communities in the Deep South as perceived by young adult males, other residents and local leaders. Paper presented at the 143rd American Public Health Association Annual Meeting, Chicago, IL, November 2015.
18. Chen M, **Davies SL**, Snyder S, Lanzi RG. Risk factors of maternal mental health and parenting functioning: My Sister's Keeper. Poster presented at the 143rd American Public Health Association Annual Meeting, Chicago, IL, November 2015.
19. **Davies SL**, Lee Y, Hannon L. Influence of community social capital on personal identity, sexual risk, and future aspirations among African-American emerging adult males. Poster presented at the 143rd American Public Health Association Annual Meeting, Chicago, IL, November 2015.
20. Fowler KB, **Davies SL**, Kempf MC, Boppana SB, Cannon MJ, Edwards RK. Lack of Awareness and Knowledge about Congenital Cytomegalovirus (CMV) Infection in Young Urban Pregnant Women. Poster presented at the 5th Congenital CMV Conference and 15th International CMV/Beta Herpes virus Workshop, Brisbane, Australia, April 20-24, 2015.
21. Coker TR, Elliott MN, Toomey SL, Schwebel DC, Tortolero SR, Cuccaro P, **Davies SL**, Visser S, Schuster MA. A Longitudinal Analysis of Racial/Ethnic Disparities in ADHD Diagnosis and Treatment. Poster presented at Pediatric Academic Societies Annual Meeting, 2015, San Diego, CA.
22. Gragg S, Chang M, Singh L, **Davies S**. The Community Matters 20/20 assessment as a vehicle for patient empowerment, process improvement, and service learning at Equal Access Birmingham. Poster presented at the Student Run Free Clinics Conference, Atlanta GA, May 2015.

23. Lanzi RG, Tyson SB, **Davies SL**. CBPR's importance and critical role in research as evidenced in "My Sister's Keeper:" A coalition to strengthen maternal mental health and family resilience in a southern, urban, low income community. Community Based Public Health Caucus: Benefits and power of partnerships. Paper presented at the 141st American Public Health Association Annual Meeting, Boston, MA, November 2013.
24. Roche KM, Caughy MO, Schuster MA, Bogart LM, **Davies SL**, Dittus PJ, & Franzini L. Cultural Orientations and Latino/a Adolescent Autonomy Development. Paper presented at the 2012 Society for Research on Adolescence Biennial Meeting, Vancouver, BC, Canada. March 8 – 10, 2012.
25. **Davies SL**, Lanzi RG, Thind H, Tyson S. Lessons learned using CBPR to strengthen maternal mental health and family resilience in a southern, low income, urban community. Poster presented at 140th APHA Annual Meeting, San Francisco, CA, October 27-31, 2012.
26. Rutland W, Dill L, Truett A, Hester K, **Davies S**. Seeing solutions: dissolving, through telemedicine, the barriers to care faced by consumers living with HIV/AIDS throughout rural Alabama. Poster presented at the International AIDS Conference, Washington DC, July 24, 2012.
27. Griffin K, Thind H, Benitez T, Simpson T, Grimley D, **Davies S**. Association and increased risk of dual sexually concurrent partnerships among a population of low SES women in the Southeast. Poster presented at the Society of Behavioral Medicine Annual Conference, April 11-14, 2012, in New Orleans, LA.
28. Stewart KE, Gates-Spontak E, **Davies SL**, & Lewis T. The link between religiosity and mental health among HIV-positive mothers. Poster presented at the 33rd Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, New Orleans, LA, April 11-14, 2012.
29. **Davies SL**, Lewis T, Thind H, Griffin K, Benitez T, Schwebke J, Hook E, & Grimley D. An ecological approach to understand depression in low-income young women. Poster presented at the American Academy of Health Behavior 12th Annual Scientific Meeting, Austin, TX, March 18-21, 2012.
30. Horton JA, Evans RR, Macrina D, **Davies SL**, Snyder S, & Wajeed A. Breast health knowledge and beliefs among adolescent females: interactive teaching strategies for success. Poster presented at the 84th Annual American School Health Association Conference, Kansas City, Missouri, October 13 – 16, 2010.
31. Stewart KE, Stracener MK, Annang L, & **Davies SL**. Recruitment and retention in intervention trials: Listening to HIV-positive mothers' experiences in the MOMS program. Paper presented at the 11th International Congress of Behavioral Medicine, Washington DC, August 2010.

105. Gower BA, **Davies SL**, Nagy TR, Hunter GR, Darnell BE, Weinsier, RL. Glucose disposal and diet-induced adipose tissue loss in Caucasian and African American women. Poster presented at the Annual Meeting of the North American Association for the Study of Obesity, 1996.

PEER REVIEWED REGIONAL AND LOCAL SCIENTIFIC PRESENTATIONS

1. Smith D, Clay OJ, Smith TL, **Davies SL**. Associations of substance use with HIV risk and sexually transmitted infections among at-risk Black emerging adults. Poster presented December 2019 at the UAB Office of Undergraduate Research Fall Expo, Birmingham, AL.
2. **Davies SL**, Hannon L, Footman A. Insight from African American men on how to reduce HIV in their communities. Poster presentation at the Second Conference on Bioethics Issues in Minority Health and Health Disparities Research, Tuskegee University, January 24-26, 2019, Opelika, AL.
3. **Davies SL**, Lee Y, Thind H, Andreae S, Hannon L. Challenges facing African American communities in the Deep South as perceived by young adult males, other residents and local leaders. Paper presentation in Social/Behavioral Science and Community-Based Research Special Session. Minority Health and Health Disparities 11th Annual Health Disparities Research Symposium. University of Alabama at Birmingham. April 2016.
4. Murphy, BE, Carodine, AG, Crawford, MS, and **Davies, SL**. CITY Health II- using entertainment education and social media to reduce HIV risks for Birmingham's most at-risk population. Poster presented at the 2nd Annual Community Engagement Institute: Building Bridges for Bridging Gaps. Birmingham, AL.

5. Griffin K, Thind H, Benitez T, Simpson T, Grimley D, & **Davies S**. Association of male sexual partner's incarceration status and female partner's history of sexually transmitted infections. Poster presented at the UAB Health Disparities Research Symposium on April 10, 2012.
6. Simpson CA, Tucker JA, Chandler S, Borch C, **Davies SL**, Lewis T. HIV-related risk behaviors and communication channels in the social networks of African American emerging adults in disadvantaged urban areas in the southern US. Poster presented at the 2012 UAB Public Health Research Day.
7. Boehme AK, **Davies SL**, Moneyham L, Shrestha S, & Kempf MC. Barriers and Facilitators to HIV Care among a cohort of predominately African American HIV+ Women. Presented at the UAB Health Disparities Research Symposium, April, 2011.
8. De La Cruz, N, **Davies SL**. Childbearing Desires among Women Living with HIV. Presented April 29, 2009 at the UAB Health Disparities Research Symposium.

INVITED PRESENTATIONS

1. **Davies SL**. HIV in Resource-Limited U.S. Communities, invited speaker at the University of Texas Medical Branch (UTMB) /South Central AIDS Education Training Center (SCAETC) Annual Conference, April 30, 2020.
2. **Davies SL**. Moving Upstream to Promote Family Health and Community Resilience, presented to the National Academies of Sciences, Engineering, and Medicine as a panelist and discussant on the *Public Health Priorities and Challenges in Florida and Alabama*, to inform the development of their Gulf Research Program's Enhancing Community Resilience (EnCoRe) project, June 10, 2020.
3. **Davies SL**. Translational Research: Using Community Engaged Research to Improve Population Health" provided at the Second Annual Adolescent Health Forum, "*Advancing Science on the Prevention and Treatment of HIV and STIs among Adolescents and Young Adults*" April 30, 2019.
4. **Davies SL**. Prevention of HIV among Adolescents in Peru: Behavioral and Social Science Solutions. Presented virtually to the Peru Ministry of Health. Peru, South America. September 19, 2018.
1. **Davies SL**. Using Musicians as Messengers and Change Agents to Prevent HIV among African-American Emerging Adults, UAB SOPH Department of Epidemiology's Annual Seminar Series, December 3, 2018.
2. **Davies SL**, Nuts and Bolts of Intervention Design, Delivery, and Evaluation; UAB Center for AIDS Research Behavioral and Community Science Core, Research Methods Workshop Series, February 21, 2018.
3. **Davies SL**. Research Methods and Data Collection on the Social Determinants of Health. Pew Charitable Trust's Health Impact Project Grantee Meeting, Birmingham, AL, January 2017.
4. **Davies SL**. Risk, Resilience, and the Sexual Health of U.S. Adolescents, invited presentation at UAB Department of Psychiatry's Grand Rounds, November 11, 2014.

5. **Davies SL**, Lanzi RG. Understanding Maternal Depression, a credentialed half-day workshop for clinical and mental health professionals; sponsored by the Jefferson County Department of Health, Children's Policy Council of Jefferson County, and the Mountain Brook Board of Education. May 2013.
6. Lanzi RG, **Davies SL**. Understanding Maternal Depression: A Public Health Perspective. Maternal and Child Health Student Association for Graduate Education Seminar. University of Alabama at Birmingham, September 25, 2013.
7. **Davies SL**. Measuring Behavioral Determinants of Adolescent Health. Presentation at HealthTeacher's Annual Conference; also Session Panelist: Assessment of Health Behaviors in the Classroom. Nashville, TN, May 3-4, 2012.
8. **Davies SL**. Reducing Adolescent Sexual Risk Behavior: Focus on Asset Building. 7th Annual Conference of the Alabama Campaign to Prevent Teen Pregnancy, April 26, 2010.
9. Simpson TY, **Davies SL**. Using Community Based Participatory Research to Guide Pediatric Research. Children's Health Investigative Forum, Department of Pediatrics, Children's Hospital of Alabama, August 6, 2010.
10. **Davies SL**, Kerbawy S. Understanding Context: Changing Local Environmental and Social Influences that Affect Child Development. Children's Policy Cooperative of Jefferson County, August 6, 2010.
11. **Davies SL**. An Ecological Approach to Behavior Change. ARISE Citizens Policy Project Conference on Health Care Access, Birmingham-Southern College, February 10, 2009.
12. Tucker JA, Franklin FA, LaGory M, Simpson CA, & **Davies SL**. CITY Health: A social network approach to studying risk and resilience in emerging adults. Grand Rounds presentation, Division of Preventive Medicine, UAB Department of Medicine, December 14, 2009.
13. **Davies SL**. Building Bridges between African-American Communities and Researchers: A Partnership between Clergy, Community and Centers for AIDS Research; *Panelist and Presenter*: Building Academic / Community Bridges for Mothers Living with HIV. Meharry/Vanderbilt CFAR Conference: Nashville, TN; April 29 & 30, 2008.
14. **Davies SL**. Interpreting Research Findings to Enhance Public Health Practice. Birmingham Coalition to Prevent Teen Pregnancy, June 17, 2008.
15. **Davies SL**. Understanding Youth Violence: The Impact of Families, Schools, and the Community. Presenter/panel member, UAB Center for the Advancement of Youth Health Conference: October 18, 2007.
16. **Davies SL**, Simpson TY. Expanding the Role of the Pediatrician in Adolescent Sexual Risk Reduction. Center for Outcomes and Evidence-based Research and Evaluation (COERE) Outcomes Research Discussion Group, Division of Preventive Medicine, UAB Department of Medicine, March 9, 2007.
17. **Davies SL**. Using YRBS (Youth Risk Behavior Survey) Data to Examine Health Risk Behaviors of Youth. Children's Policy Council of Jefferson County, June 2, 2006.

18. **Davies SL.** Reducing Adolescent Pregnancy: Hope for the Future. Annual Conference of the Alabama Association of School Boards, the Winfrey Hotel, Birmingham, AL, December 3, 2004.
19. **Davies SL.** Adolescent Sexual Risk Reduction: The Importance of Family. Community Research Seminar Series, UAB Center for the Advancement of Youth Health, November 11, 2004.
20. **Davies SL.** The Changing Face of HIV. Women Centered HIV Care Conference, UAB 1917 Clinic and Jefferson County HIV Prevention Network, Radisson Hotel, Birmingham, AL, September 24, 2004.
21. **Davies SL.** Working with Families Affected by HIV. Center for Nursing Research Seminar Series, UAB School of Nursing, November 6, 2003.
22. **Davies SL.** Childhood Obesity: Causes and Solutions. Invited opening address presented at Drexel University as part of a Special Symposium on Childhood Obesity, Philadelphia, PA, September 16, 2003.
23. **Davies SL.** Using Theoretical Frameworks to Advance Behavior Change Efforts” presented to UAB SHAPE Educators as part of their annual Peer Leader Training, UAB 1917 Clinic, September 20, 2003.
24. **Davies SL.** Harm Reduction Education from a Theoretical and Practical Perspective. UAB SHAPE Educators’ Roundtable Lunch Series, Hill University Center, October 21, 2003.
25. **Davies SL.** Health Promotion Approaches Across the Lifespan. Alabama Department of Rehabilitation Services Annual Conference, December 3, 2002.
26. **Davies SL.** Research Methods in Health Behavior. UAB Physician Clinical Research Training Program, October, 2002.
27. **Davies SL.** HIV Community Intervention Programs. Birmingham Civil Rights Institute Conference “Perspectives on the Cultural Contexts of Human Services – The Birmingham Model”, January, 1999.
28. **Davies SL.** How to Help Your Patients Quit Smoking” training provided to UAB Family Medicine residents, July, 1994 and July, 1995.

TEACHING ACTIVITIES

Courses

HB 736: Advanced Intervention Development Research, Core Course for Health Behavior doctoral students; 2018, 2020

HC-120: Family and Community Resilience, Service Learning Course for undergraduate students in the UAB Honors College, 2018, 2019

HC-110: Identity, Self-Concept and Your Future, Seminar Course for undergraduate students in the UAB Honors College, 2018, 2019

PUH-204Q: Health Meets Life: Sex, Drugs, Weight, & Other Health Behavior Factors Online Core social and behavioral science introductory course for undergraduate Public Health students; 2018, 2019, 2020

HB 770: Doctoral Seminar 1 Joint PhD Health Education and Health Promotion: Scientific writing and critiquing (Team-taught with other HB Faculty); 2016

HB 770: Doctoral Seminar 2 Joint PhD Health Education and Health Promotion: Scientific writing and critiquing; Grants; IRB (Team-taught with other HB Faculty); 2017

HB 773: Doctoral Seminar 3 Joint PhD Health Education and Health Promotion, doctoral seminar course (Team-taught with other HB Faculty); 2016

HB 636: Developing Interventions to Promote Public Health Core Course for Health Behavior MPH students and elective course for doctoral students and junior faculty on training grants; 2012 – present

HB-635: Communities, Families and Health Elective Course for Health Behavior MPH and PhD students, as well graduate students from Health Care Organization and Policy, Nursing, Sociology and Psychology; 2007 – Present

HB-643: Health Program Evaluation Core Course for Health Behavior MPH students; 2012

HB-740: Advanced Program Evaluation Core Course for Health Behavior PhD students; 2012

HB-660: Adolescent Health: A Social and Behavioral Perspective Elective Course for Health Behavior MPH and PhD students, as well graduate students from Nursing, Sociology and Psychology 2006 – 2010

HB-642: Research Methods and Evaluation, Core Course for Health Behavior MPH students co-taught with Dr. Foshee; 2009

HB-600: Behavioral Science and Health – An Overview Core Course for MPH students of every discipline; 2008, 107 students)

HB-630: Health Communications, Core Course for Health Behavior MPH students, co-taught with Dr. Kohler; 2001, 2007

SPH-600: Integrated Core Curriculum, Part 1 (fall, 9-credit hour course) Health Behavior faculty representative* 2002 – 2006

SPH-600Q: (online Integrated Core Curriculum), Part 1 (9-credit hour course) Health Behavior faculty representative* 2002 – 2006

SPH-601: Integrated Core Curriculum, Part 2 (spring, 6-credit hour course) Health Behavior faculty representative* 2003 – 2006 (**Co-taught with faculty from each discipline*)

SPH-601Q: (online Integrated Core Curriculum) Part 2 (6-credit hour course) Health Behavior faculty representative* 2003 – 2006 (**Co-taught with faculty from each discipline*)

SPH-690: Integrative Experience* 1999 – 2005 (Course master, 2004) and **SPH-690W: Integrative Experience*** (weekend offering), 2001 – 2005 (**Co-taught with faculty from each discipline*)

HB-608: Women's Health and Social Behavior, Elective Course for Health Behavior MPH and PhD students, co-taught with Dr. Cornell, 2000

HB-650: Behavioral Science and Health: An Overview, Core Course for MPH students of every discipline 1997 – 2001

HB-650W: Behavioral Science and Health: An Overview (weekend offering), Core Course for MPH students of every discipline 1997 – 2002

HB 698: Directed Research Independent Study, 2001 – present

INVITED LECTURES WITHIN THE SOPH:

“Community Engaged Research: Combining Scientific Rigor with Community Participation” in Kevin Fontaine’s *HB-641: Research Methods* course, April 5, 2019

Panel Member, Finding Balance between Academia and Community Public Health Practice, Drs. Duncan and Ginter’s *HCO Doctoral Seminar* course, October 9, 2015

“Cultural Influences of Adolescent Health” in Amy Badham’s *GHS 406: Global Health* class, July 22, 2014 and July 14, 2015

“Nominal Group Technique: A Mixed-Methods Data Collection Procedure” in Dr. Janet Turan’s *HCO 628 and 728 Qualitative and Mixed Methods Research in Public Health*, Sept. 13, 2012.

“Healthy Passages: A Longitudinal Study of Adolescent Health” in Dr. Dori Pekmezi’s *HB 600: Behavioral Science and Health* course, March 10, 2011 and April 14, 2012.

“Participatory Evaluation: What, Why, and How” in Dr. Kathy Harrington’s *HB 643 Health Program Evaluation*, October 18, 2011.

“Resilience and Adolescent Development” in Dr. Robin Lanzi’s *HB 660 Adolescent Health: A Social and Behavioral Perspective* course, April 1, 2010.

“Family Influences on Adolescent Health – Part I” in Dr. Dori Pekmezi’s *HB 600: Behavioral Science and Health* course, February 16, 2010.

“Part II: Family Influences on Adolescent Sexual Risk Behaviors” in Dr. Dori Pekmezi’s *HB 600: Behavioral Science and Health* course, February 18, 2010.

“Understanding Behavior and its Antecedents: a Lifespan Perspective” in Dr. Max Michael’s *SPH 301: Introduction to Public Health* undergraduate course, November, 2009.

“Adolescent Development and Independence: Impact of Family Functioning and Community Context,” Dr. Galvin’s *HB-635: Communities, Families, and Health* course, October 18, 2008.

“Gender Role Socialization in Youth: The role of Families,” Dr. Melissa Galvin’s *HB-635: Communities, Families, and Health* course, September 17, 2008.

“Family Systems Theory: Application to Child and Adolescent Health,” Dr. Diane Grimley’s *HB 675: Advanced Theory* course, April 10, 2008.

“Mothers Living with HIV: The MOMS Project,” Dr. Mirjam Kempf’s *EPI 621: Epidemiology of HIV/AIDS and STDs* course, November 6, 2007.

“Using Behavioral Theories to Enhance Program Planning,” Dr. John Ehiri’s *MCH 620: Project Planning and Evaluation* class, February 7, 2005.

“Findings from an HIV Prevention Program for African American Adolescent Females,” Dr. Alterac’s *MCH* class, September 24, 2003.

“Promoting Positive Interactions in Task-Oriented Groups,” Student Activity Counsel (SAC), 2/8/01 and to *SPH 690*, Spring and Summer 2002 and Spring 2003.

“Making Professional Presentations,” *SPH 690*, Summer 2002.

“Opportunities & Challenges of School-based Research,” *HB-643 (Health Program Evaluation)*, Fall 2002.

“Using Theory to Improve Intervention Outcomes,” *HB-600 (Introduction to Public Health Education)*, Fall 1998 - 2001.

“Social Determinants of Health,” *SPH-600 (Integrated Core, History Module)*, Fall, 2001.

“Providing Smoking Cessation Services to Patients in a Hospital Setting,” *HB-610 (Health Promotion in Health Care Settings)*, Spring, 1999, Spring, 2001, and Fall 2002.

“Building Social Networks and Social Support for Women Living with HIV,” *HB-603 (The Role of Stress in Health and Disease)*, Spring, 2000.)

“HIV Prevention in African-American Adolescent Females,” *HB-660 (AIDS and Adolescence)*, Fall, 2000.

“Evaluation of a Community Intervention to Prevent HIV,” *HB-643 (Health Program Evaluation)*, Spring, 2000.

“Using the Transtheoretical Model of Change as a Framework for Understanding Smoking Behavior in a Sample of Low-Income, Hospitalized, African American Smokers,” *HB-650 (Behavioral Science and Health)*, Spring, 1997.

INVITED LECTURES AND TEACHING ACTIVITIES OUTSIDE THE SOPH:

Provided behavioral skills training and feedback to first year medical students, Spring 2000 and 2002, as part of an NCI Nutrition Academic Award, Frank Franklin, Principal Investigator.

“Providing Effective Counseling and Support for Cessation to Smoking In-patients,” training provided to UAB medical student interns at Cooper Green Hospital, February, 1998.

“Behavioral Strategies to Enhance Smoking Cessation Outcomes,” in *HE-408 (Drug Use and Abuse)*, UAB School of Education, Spring, 1995.

“An Integrated Approach to Health and Wellness,” in HE-141 (Personal Health), UAB School of Education, Summer, 1995.

“Providing Effective Patient and Family Education” training provided to UAB Hospital Nursing staff, Spring, 1993.

STUDENT ADVISING

Masters Research Project Committees

Katie Crawford, Joint MPH/MSN Master’s Thesis, “An Evaluation of the UAB MSN/MPH Program,” (Chair) May, 2012.

Sheila Merritt, “Proposed Assessment/Evaluation of a Preschool Movement Program in improving Fundamental Motor Skill Mastery,” (Chair) December, 2011.

Emily Tubergen, “Assessing the knowledge, attitudes and beliefs of parents caring for a child with Hydrocephalus: an education intervention study,” (Chair) May, 2011.

Allison McGuire, “Addressing Sexual Health in Latino Adolescents,” (Chair) May, 2011.

Brittney Pietrzak, “Concussion in youth sports: a review of current literature and media resources for behavior change,” (Chair) May, 2011.

Vicki Winstead, “Individual and neighborhood influences on adolescent mental health in an ethnically and geographically diverse sample of youth,” (Medical Sociology Masters student), May 2011.

Jamie Stiller, “Reducing HPV among U.S. College Students,” (Chair) December 2010.

Amelia K. Boehme, “Qualitative and Quantitative Assessment of Antiretroviral Therapy Adherence in HIV+ Postpartum Women,” (Epidemiology MSPH student), May 2010.

Erica Johnson, “The Effect of Supportive Social Interventions on Parental Stress Levels in Mothers Living with HIV,” (Epidemiology MSPH student), December 2009.

Kayte Vucurevich, “Flutamide, Metformin, and Oral Contraceptive Use in Young Women with Polycystic Ovarian Syndrome: A Randomized Controlled Trial in Young Females in Alabama,” (Chair) May 2009.

Jana Wallace, “Health and Education – Relationship and Reform: Public Health Implications,” (Chair) May 2009.

Vasu Manimaran, “Program Evaluation Plan for Healthier Weigh,” (Chair) May 2009.

Caroline Ranck, “Evaluation plan for an intervention aimed at reducing violence and related outcomes by fostering positive identity development among at-risk adolescent males,” (Chair) May 2008.

Katie Ponder, “The COMPASS Project: An intervention for African American adolescent males,” (Chair) May 2008.

Neeta Kirpalani, "History of Midwifery in Alabama: A Documentary," (Chair) May 2008.

Jasmine Darrington, "Sexual Risk Behaviors Among Adolescent Males Living in Low-Income Inner-City Neighborhoods," May 2007.

Alyson Hazen, "A review of school-based HIV/STD/pregnancy prevention interventions," December 2006.

STUDENT AND FACULTY MENTORING

Sponsor. Development of a Behavioral Intervention for Chronic Pain in Individuals with HIV. Jessica Merlin, MD, Principal Investigator. NIH #K23MH104073-01 (2014-2019).

Sponsor and Primary Mentor, Implementation of a Patient-Reported Outcomes Platform in the Pediatric Spina Bifida Population. Brandon Rocque, MD, Principal Investigator. UAB Center for Outcomes and Effectiveness Research and Education (COERE) K-Scholars Program (2015-2018).

Co-Mentor, Biology or Management: Understanding Racial Differences in Post-Fracture Outcomes. Nicole Wright, PhD, Principal Investigator. National Institute for Arthritis and Musculoskeletal and Skin Diseases, K-12 Award Program (2015-2018).

Sponsor, Development of an HIV Risk Reduction Intervention Protocol for Adolescent African American Girls. Gwendolyn Childs, PhD, Principal Investigator. NIH #K01NR011277-01 (2008-2012).

Sponsor, Adherence to HIV Care: Advancing the Science. Michael Mugavero, MD, Principal Investigator. NIH #K23MH082641-01 (2006-2011).

Mentor to Claire Jones, Birmingham Southern biology student interested in examining the effects of social influences and dietary intake on BMI in high and low SES populations (Peter VanZandt, Birmingham Southern College Advisor; Spring and Summer semesters, 2015).

Mentor to six McNair Scholars (minority undergraduate students with interests in behavioral science and health); UAB Chris McNair Mentoring Program (Summer 2006, 2007, 2008, 2010, 2018, 2020).

SERVICE

Within the Department of Health Behavior:

- Chair, Departmental Faculty Affairs Committee, 2017-2019
- Member Departmental Curriculum Committee, 2016 – present
- Chair, search committee for 6 new departmental faculty positions, 2007, 2008, 2009, & 2010
- Chair, search committee for senior faculty in HIV/addictive behavior research, 2011, 2012, 2013
- Member, search committee, shared faculty position in Biostatistics & Health Behavior, 2010-2011
- Member, departmental IRB review committee, 2006 – 2009, 2012 – current
- Chair, Admissions Committee for the Department of Health Behavior, 1997-2002
- Program Director, Health Behavior MPH - A & B Academic Programs, 1997-2002
- Member, Health Behavior MPH Curriculum Committee, 1997-2004
- Faculty Coordinator, Health Behavior's student seminar series "Tuesday's Topic," 1998-2001
- Chair, search committee for a Health Behavior faculty member specializing in aging, 2003
- Member, search committee for a Chair of the Department of Health Behavior, 2003
- Member, search committee for a Health Behavior faculty member specializing in community-based health promotion, 2002
- Member, search committee for a Health Behavior faculty member specializing in HIV/AIDS, 1999

Within the School of Public Health:

- Member, Search Committee for the SOPH Dean, 2017 – 2018
- Member, Jefferson County Community Participation Board for the CSCH, 2010 – present
- Member, SOPH Faculty Affairs Committee, 2006 – 2009; 2014 – 2016; 2018 – present
- Member, SOPH Scholarship Committee for MPH students, 2015 – present
- Member, SOPH Executive Committee, 2008 – 2018
- Mentor, SOPH Wicked Case Competition for UAB Students, March 2015, March 2016
- Alternate Member, SOPH Admissions and Graduation Committee, 2014 - present
- Faculty Team Leader, SOPH Wicked Case Competition for UAB Campus Academic Units, 2014
- Member, MCH Transition Committee, 2009
- Member, ad hoc committee to review and make recommendations from MPH student survey, 2010
- Member, SOPH Diversity and Equity Committee, 2007 – 2010
- Departmental representative, SOPH Faculty Council (elected by SOPH faculty) May 2008 – 2012
- Member, Upsilon Chapter of Delta Omega National Public Health Honor Society, 2004 – present
- President, Upsilon Chapter of Delta Omega National Public Health Honor Society, 2010
- Member, Upsilon Chapter of Delta Omega, Nominations and Elections Committee, 2005 –2008
- Co-chair (with Dr. Donna Petersen), Public Health Undergraduate Workgroup, 2003-2004
- Member, Subcommittee on UAB SOPH Faculty Service for the 2008 CEPH-Self Study
- Member, Award for Teaching Excellence Committee, 2006-2010
- Member, SOPH Global Health Education Work Group, 2005-2006
- Member, SOPH Domestic Violence Symposium planning committee, 2004
- Faculty Reviewer, MPH student applications for ASPH Internship Program, Fall 2003

- Faculty Representative, UAB SOPH Alumni of the Year Award Committee, Spring 2003
- Member, search committee for a joint HCOP/ MCH Senior Economist, 2003
- Faculty Marshal representing the SOPH at UAB's Spring 2002 Commencement
- Member, SOPH Communications Committee, 2000 - 2003
- Co-presenter, SOPH's "Tell It Like It Is!" for the Department of Health Behavior, 2002
- Member, SOPH Strategic Planning Workgroup, *Student Body of the Future*, 2001-2002
- Member, SOPH Admissions & Graduation Committee, 1998-2002
- Chair, SOPH Admissions and Graduation Committee, 1999-2000
- Member, Integrative Experience Case Study Workgroup, 1998-2000
- Faculty Representative, SOPH Student Government Association, 1999
- Co-coordinator, UAB/Jefferson County Department of Health Summer Internship Program, SOPH, 1998-2000

Within the University and local community:

- SOPH representative, UAB Faculty Senate, June 2002-2004 and again June 2018 – present
- Member, UAB Faculty Senate subcommittee, Curriculum and Research, June 2002-2004
- Member, UAB Faculty Senate subcommittee, Policies and Procedures Committee, June 2018-2019
- Member, UAB Faculty Senate subcommittee, Curriculum Committee, June 2019-2020
- Member, CDC Prevention Research Center (PRC) Network Implementation Science Working Group May 2016 - Present
- Reviewer, Gulf States Health Policy Center (GSHPC) Community Academic Health Policy Pilot Grants Program, 2015
- Reviewer, UAB CCTS Developmental Grants Program, 2011
- Reviewer and Panel Member, CCTS internal grant reviewer, 2014 – present.
- Reviewer, UAB Lister Hill Center Developmental Grants Program, 2014
- Session Moderator and committee member, "Community Matters 20/20: Assessment, Visioning and Planning for a Health Jefferson County", Jefferson County Department of Health, May 2014
- Reviewer, UAB CFAR (Center for AIDS Research) Developmental Grant Program, 2006 & 2007
- Member, UAB CFAR Credentials Committee, 2007 & 2008
- Judge, UAB MHRC (Minority Health Research Center) Research Symposium 2009, 2015, 2016
- Reviewer, UAB MHRC Developmental Grant Program, 2008 - 2010
- Session Moderator and conference planning committee member, "Impact of Poverty on Our Community" Conference, May 11, 2009
- SOPH Representative for the UAB Personalized Healthcare Initiative and member of the Competency Development Workgroup, 2010.
- Member, Children's Policy Cooperative of Jefferson County, 2008 – 2016
- Member, (representing SOPH) University-wide Committee for Cultural Competence in Health Professions Education, 2007 – 2015
- Presenter, Birmingham City Council Budget Hearing, arguing on behalf of local CBO's to preserve HIV/AIDS funding, June 1, 2005
- Member, UAB Faculty Senate subcommittee, Curriculum and Research, June 2002-2004
- Member, UAB Campus Wellness Working Group, 2003-2004
- Member, Title IV Review Compliance Audit Team, UAB SACS Re-accreditation, 2003
- Presenter, VA Hospital In-service on Women and HIV/AIDS, Spring 2003
- Member, Eastern Area Health Advisory Council, 2002-2006
- Member, Community Planning Group on HIV/AIDS, 2003-2006
- Member, ad hoc Disciplinary Committee for the Vice President for Student Affairs, 2002
- Guest, WDJC Radio Public Health Program to discuss nutrition and obesity among children and families, November 2002

- Advisor to community public health professionals (a Children's Hospital RN and an ADPH RD) on evaluation strategies for school-based nutrition and physical activity programs, Spring 2002
- Advised Jefferson County Health Department EPA Director, Sam Bell, on theoretically-driven approaches to improve effectiveness of their ozone alert program (using Social Cognitive and Diffusion theories), Summer 2002
- Radio talk show guest: discussed adolescent pregnancy and the need to involve males in prevention efforts, Spring 2002
- Judge, Planned Parenthood Teen Pregnancy Prevention Essay Contest, September 2002
- Member, search committee for Preventive Medicine faculty member specializing in obesity, 2000
- Member, advisory planning committee for The Women's Fund of Greater Birmingham, 1999-2000
- Member, Health Promotion Consortium Tobacco Expansion Area Working Group (a UAB Multidisciplinary Committee), 1996-2000
- Member, YWCA Junior Board, fundraising committee for homeless daycare program, 1993-1999
- Member, American Cancer Society Great American Smoke-Out Planning Committee, 1997 & 1998

Within the Profession of Public Health Promotion:

- NIH Scientific Review Committee, BSCH (Behavioral and Social Consequences of HIV/AIDS) Study Section, July 14-15, 2005; March 14-15, 2006; November 16-17, 2006; March 16, 2007; July 12-13, 2007; March 13, 2008 and February 12-13, 2020
