# GENERAL OPPORTUNITIES

Do you share our passion for helping children and families live successfully?

**Youth**  
VILLAGES®  
The force for families

## We are a force for you.

### Find A Career You Believe In

Youth Villages offers you many ways to make a difference. By joining our team, you'll have the chance to grow and advance, work for different programs in different states, receive tuition and licensure reimbursement. Because we diligently track outcomes, you'll know what you do really does make a difference.

#### Choose a program that's right for you:

##### Intensive In-home Counseling

Help children and their families where they need it most – at home

##### LifeSet™

Guide youth aging out of foster care into independent adulthood

##### Residential (TN, GA)

Join our residential campus or group home teams to help children with serious behavioral or mental health issues

##### Foster Care (TN)

Provide therapy to children in foster care and support foster families

##### Crisis Services (TN, OR)

Help children experiencing acute psychiatric emergencies and their families

### Transform lives. Make change happen.

Caseloads in our community-based programs are small. By working intensively with children in their homes, you'll get to the root of the issues and create lasting change. Our residential and group home programs provide intensive help to children and teens who cannot safely be helped in the community.
